HAYWARD, CA

EXPERIENCE

CAPES | Full Scholarship Holder

June 2015 – Present | Hayward, CA
Full Scholarship holder at the Brazilian government's program Science Without Borders.

INSTITUTO FEDERAL DO SUDESTE DE MINAS GERAIS | Network Intern

June 2014 – June 2015 | Barbacena, Brazil
Installation, configuration, management and maintenance of Windows and GNU/Linux servers, operating systems and firewalls, implementation and installation repairs in structured cabling and laboratory network, diagnostics and network scenarios correction. Users support across multiple systems. This job taught me a lot about work environment, team work and IT Management. I was able to do researches about different topics and apply the knowledge I've obtained to real life problem solving.

TECSHOP | Technical Support Leader

January 2012 – June 2014 | Barbacena, Brazil
Maintenance on computers, notebooks, tablets and mobile devices, network configuration, routers, modems and servers, also buying and selling products advisor. This Job helped me to gain great communication skills, once I usually had to deal with the final customer. I also learn a lot about IT and even more about teamwork.

SUMMARY

I'm a student on an exchange program in the US, which has been an outstanding opportunity to my career and also personal growth. Dedicated professional, committed, responsible, self-starter and a quick learner. Looking for a challenging and inspiring position that would allow me to be creative, active, and a problem solver.
